Narration

****Flashback****

Life Isn't Fair, Men Are Not Born Equal, Humans can be hurtful

***"Don't think you won wimp! We'll be back for you and that freak! " A red haired boy yelled as he and his two beaten up friends ran away from a rough up four year old boy and a equal rough up Brown haired girl with a cowlick in the shaped of a lightning bolt ending in a curl.**

***"THAT'S RIGHT! YOU TRAITORS BETTER RUN! MESS WITH MIKE AGAIN I'LL END YOU!" The visibly shacking four year old brunette angrily yelled at their retreating back .To think that those bullies were once there most trusted friends. It just leaves a bad taste in her mouth OR it could be the taste of blood and dirt she got from the fight, either way it was a bad taste.**

I Leaned Many Thing over My Life

***Once those kids were no longer in her line of sight, she turn her attention towards the smaller boy. **

***"Mike are you ok?" **

***Concerned she looked his friend over. Mike's normally well-groomed dirty blonde hair was filled with debris, clean clothes now wrinkled an dirty, golden tan skin littered with scrapes and dark purple bruises. He got pretty mess up from the fight not that she was any better.**

***"I'm fine but,** **Brenda I got you dragged into this ..." mike said guilty with down cast sapphire eyes only to close** **them a moment later in pain from his friend smacking him.** **Brunette scowled at her friend who was now crouching, holding his head in pain.**

But it was at the age of 4 that I learned

** "*****ARE YOU STUPID?! I'M NOT GONNA SIT AROUND AN LET THEM BULLY YOU BECAUSE OF YOUR QUIRK! YOU'RE MY FRIEND QUIRK OR QUIRKLESS AND I'M GONNA HELP YOU WHEN YOU NEED ME DANG IT! SO DON'T EVER EVEN THINK YOU'RE MAKING TROUBLE FOR ME! BECAUSE IF YOU DO YOU'LL GET MORE THAN A SMACK!" Finish and out of breathe the flushed girl glaring at the wide eyed boy, daring Mike to tell her otherwise. She was almost taken back by his giggling and cheerful smile.**

***"I'm lucky to have you as a friend** **Brenda. You'll be a great hero like your grandma was, I just know it!" his** **cheerful mode was dashed once the girl look like she was gonna start crying any second .Mike was worried, why was she crying?did he say somthing that hurt her? He didn't mean too.**

"they said..*hic*with m-my quirk I'l-l *hic*never be a.. a Hero"

That the real world is a cruel place for Dreamers

***In a local middle lunch room two eighth grader are talking. One a** **slender young man with a golden tan, the other** **a girl with glasses that looks** **like an elementary schooler. Suddenly the

young men** **stood up**, **leaning** **over the table looking straight into the girl's hazel eyes.**

"YOU'RE MOVING TO JAPAN!" his yell of disbelief filled the lunch room, making many of the students look in his general direction. Feeling awkward from the staring he sits back down.

"As I said Mike, The CEO of the company where my parents work at wants them to start work in the main building by next week. My parents are really dead set on going and grandpa ok with this. So there's nothing I can do to change their mind." She lets out a sigh. In one week she was gonna move to a new country, learn a new language and go to a new school. Sure her new school would have uniforms which she liked but, she be leaving behind the place she was born and raised.

I gave up on my dream and decided on living a normal life...but

Sure I'm scared of moving but I'm not going to let mikes last school memories of us be sad I cove it up my fear and give him a big smile. "I'm not gonna miss this school or most of the people in it but, the only Person I'm gonna miss is my best bud Mikey."

"Man if the **Brenda Shield fan club heard you, they'd be crushed!" **

"For the last time I don't have a fan club! I'm not that popular!"

"YES YOU ARE!"

"NO I'M FUCKING NOT!"

I forgot that life don't always go the way you want it to
